		BODY Generation 9	**1**
01-X0-0001		|-- Body Certification Provided to Specification	1

The Body Manufacturing group certifies that this Ambulance Modular body has been constructed of materials and methods that meet or exceed the standards as required by the AEV Generation 9 Body Specification of December 11th, 2018 as published. The body shall be built and constructed to the submitted work order and the AEV Generation 9 build standards without exception.   Any Deviations to the work order or Generation 9 build standards must have written authorization prior to body delivery to AEV by the AEV Body Engineer on file.
